Rescue me from all my enemies, O Lord!
I run to you for my protection
Teach me what to do what pleases You
For you are my God
Don't forsake me
Please, help me because of Your great love

Rescue me because of your faithfulness O Lord!
O Lord, my God in you I've take shelter from the storm
In Your presence I'll be warm
For you are my God

You sent Your Son for me to break down that wall
That separated me from loving You
But now I trust in You and ask a new
