**One of a Kind (Wenstrom)**

Oh dear Lord, yes, You're one of a kind
And through Your cross, we leave our past all behind
My sweet Lord, no one compares with You

We bow in awe that You are God and man
And through You the world began
And yet You came to save us all from our sins

Oh dear Lord, yes, You're one of a kind
And through Your cross, You give us peace of mind
My sweet Lord, You're holy and You are true

And through Your death, God's love has been revealed
Through Your wounds we have been healed
For You came not to be served, but to serve

Oh dear Lord, yes, You're one of a kind
We're joined to You and now our lives our defined
My sweet Lord, we bow down and worship You

You're the Mighty God and the Prince of peace
And Your reign shall never cease
Every knee shall bow, every tongue shall praise

Oh dear Lord, yes, You're one of a kind
You are our Savior and all of mankind
My sweet Lord, we lift up this song to You

Oh dear Lord, yes, You're one of a kind
And through Your cross, we leave our past all behind
My sweet Lord, no one compares with You

Oh dear Lord, yes, You're one of a kind
And through Your cross, You give us peace of mind
My sweet Lord, You're holy and You are true

Oh dear Lord, yes, You're one of a kind
We're joined to You and now our lives our defined

My sweet Lord, we bow down and worship You

Oh dear Lord, yes, You're one of a kind
You are our Savior and all of mankind
My sweet Lord, we lift up this song to You
